

LOCAL 9 BLOOD DRIVE

October 2008

Dear Brothers and Sisters:

This letter is to notify you that Local 9 is having a **Blood Drive on Saturday, December 6, 2008 at the Local 9 Training Center from 7:30 AM to 2 PM.** A reminder for all Apprentices you will receive credit for each time you donate. Please call our office and make your appointment with Valerie at extension 113.

Giving "The Gift of Life" so that others may survive is so important and during the holidays the blood supply is at a critical low, so we want to encourage you to bring a friend, relative or neighbor to donate.

Please note the following:

- Eat within 4 hours of donating/drink plenty of fluids
- Bring a signature I.D. (Driver's License)
- In order to donate you must be 17 years old
- In order to donate you must weigh 110 lbs.
- All equipment is sterile and disposable
- Most important "you cannot contract any disease from donating"

We want to sincerely thank everyone who donated at the last Blood Drive on December 1, 2007. Remember we need everyone's support in order to have all our members and their families covered continually without interruption. During our last Blood Drive we only collected 45 units and we need to collect 50 units or more for our local to have continued coverage. We need your support by scheduling an appointment NOW!

Fraternally,

Michael K. Maloney
Business Manager, Secretary-Treasurer
